GRACE PIERCE

Grace
Hey your
one great
friend you're
got a bubbly
personality that
always makes me smile.
We had some fun last
year and now that you're
off to college I probably
won't get to see you much
but when I do well make up
for lost time (parting the water)
all the luck in the future! don't break
ya legs. ("87" will it ever get here)

Friendz
always
Sheila

You have a question
to many hearts

Dear Grace,
Have a do good life, I think your a wanderful lady. at least yair real, unlike a lot of the fanies in our class. I will your Road. respect your Love ane!
Bill Father
P.S. I think your lady is totally EXCELLENT

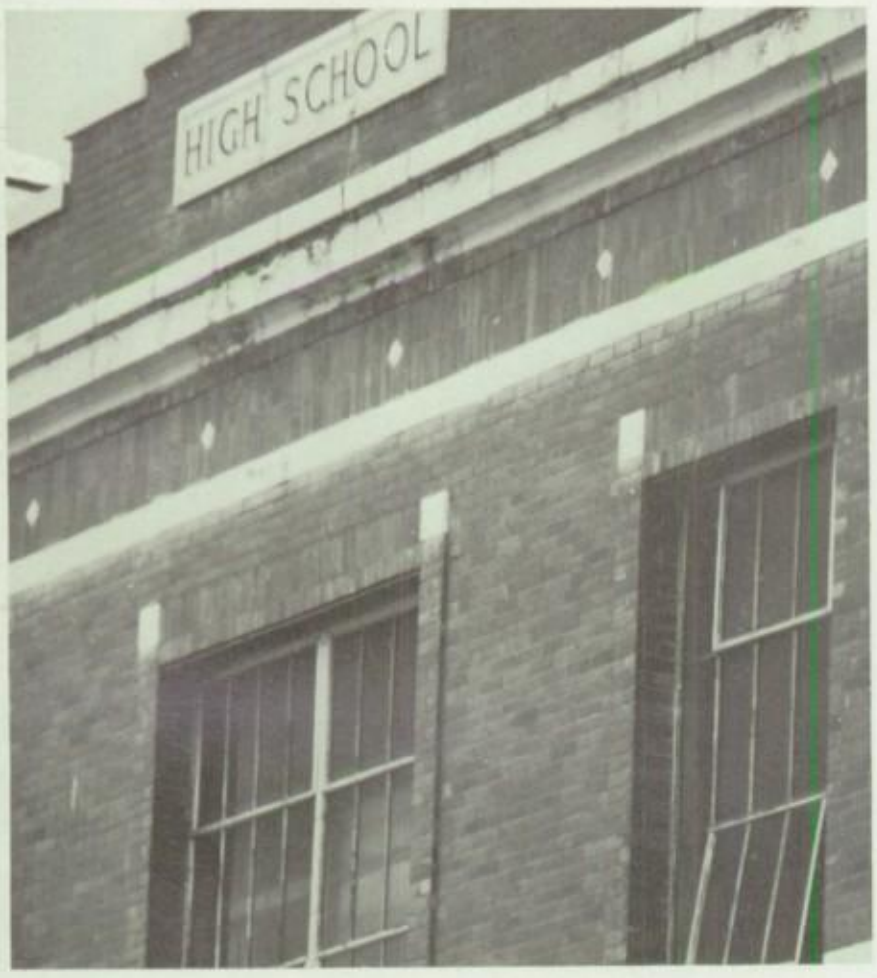
I started my journey walking
Alone on an empty road

Until there came a friend
Who helped to lighten the load.

Discouragement was plenty
Many times I' d fail

But soon I learned to
walk with ease
My own familiar trail.



My journey is well on
its way now
My destiny, unknown

But those who were with me along the way
Have helped me stand alone.

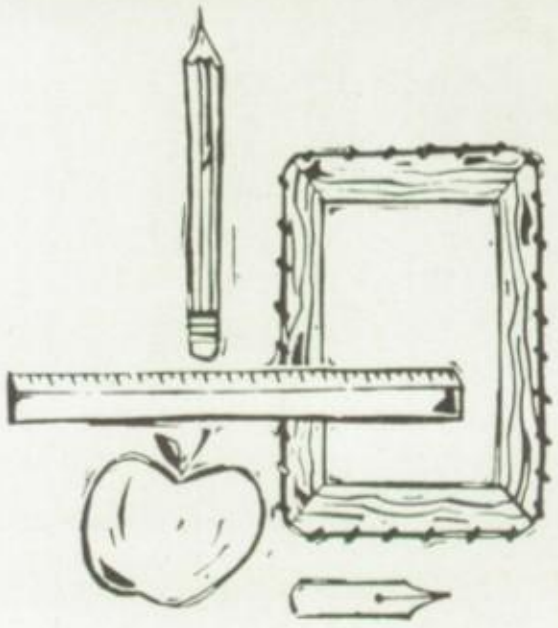
CLASSES IN SESSION



FRESHMEN
OFFICERS & ADVISERS

As the frightened freshmen, we entered this school.
Right away we learned of the high school's rule:
Seniors are the studs and freshmen are the squirrels,
And all the older boys are after the "New Girls."

Our Spirit reaches many miles long,
And we are always anxious to cheer our team on.
Our fund is growing bigger and bigger,
And by the end of the year it will be a big figure.

At the beginning of the year, we were scared and unsure,
But as we leave in May we are absolutely secure.
Our freshmen year has been fun and exciting,
But our sophomore year we'll go in fighting.

SOPHOMORE OFFICERS AND ADVISERS

SOPHOMORE OFFICERS AND ADVISERS: President, Shawna Hammond; Vice President, Shawna Alber; Secretary, Brandi Roy; Girls' Representative, Heather Hovorka; Boys' Representative, Mickey Lakotos; Adviser, Connie Rowland; Adviser, Bob Brulotte.

The class of '86 started the 1983-84 school year as big sophomores. The excitement of the new school year lasted throughout Homecoming Week. We took fourth place for our efforts.

Later in the fall, we tried a money making project. Selling the Sun Catchers added $500 to our account.

The sophomores were totally awesome during "Beaver Week." Winning the spirit stick and a number of dress up days helped out. We received 1st place in overall points. No wonder everybody says sophomores are better than ever!

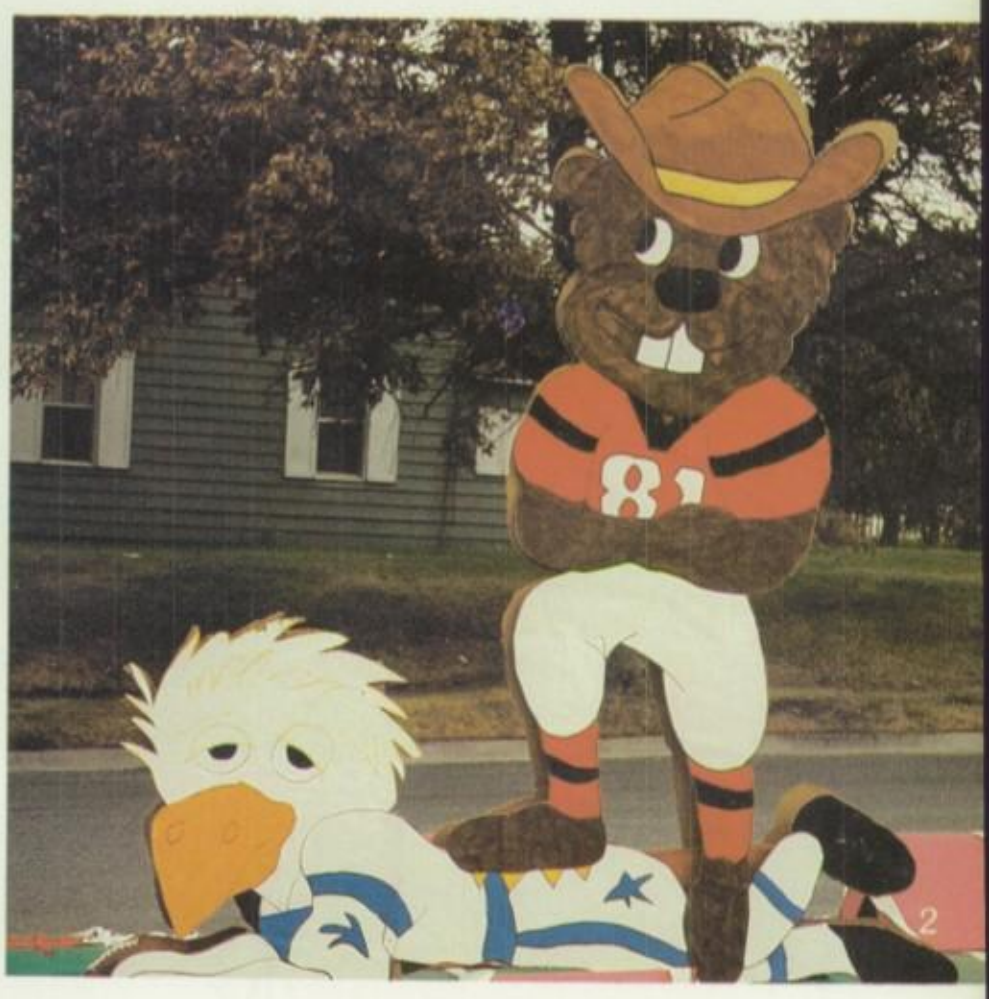
ACTIVITIES

Floats on Parade



The theme for the 1983-84 Homecoming was the Best in the West. 1. The Seniors took first place with their float of a beaver riding on a football, with their theme, Best of the West woven on front. 2. The freshmen took second place with the Beavers stomping the Eagles. "We'll have a stomp'em Good Time" was their theme.

3. The Juniors took third place with a card-playing beaver saying "Don't Gamble with the Beavers." 4. The Sophomores received fourth place with a beaver riding off into the sunset of their float. "A Beavers Gotta Do What A Beavers Gotta Do" was the Sophomores' theme.

This year's Homecoming Week was filled with many fun activities. The theme for homecoming this year was "The Best of the West." Homecoming week started off with a pep assembly and the dress up day was "Come as You Are!" At noon, the A-Club had a slave sale. On Tuesday, the dress up day was "Hats and Sweats" and the noon game was an egg toss. Wednesday's dress up day was "A Day At the Beach" and the three-legged race was the noon game. For Thursday, the dress up day was "Western Day" and at noon there was an eating contest. The Snake Dance, Bon Fire, and the 2nd annual Battle of the Bands completed the day.

On Friday, the completion of Homecoming Week was "Big Red Day." There was a pep assembly during 2nd hour followed by a volleyball game at 10:30. At 11:30 there was a parade and at 6:30 the football game against Marsh Valley started. Homecoming Week ended with a dance after the game. Overall, the classes took the following places: Seniors, 1st — Freshman, 2nd — Juniors, 3rd — and Sophomores, 4th.

NEW CLASSES

ART

Art was taught this year for the first time in four years. Three Art I classes were taught and 55 students were involved. The highlight of the year was an art show held on May 22 and all of the art students participated. There were 95 entrees in the show.

COMPUTERS

This year the American Falls High School offered Computer Science for the first time. The class focused on programming and word processing. Next year students will be able to take both Computer Science I and II. In addition the Apple Worms Computer club was formed and will also be going strong next year. Computers at AFHS have made a great start and will continue to grow in the future.

SOUTH PACIFIC

This year's musical was "South Pacific." Several American Falls High School students spent a weekend on a tropical island in the Rogers and Hammerstein play, "South Pacific."

Based on the "Tales of the South Pacific," by James Michener, the story takes place on an island in the Pacific during World War II.

According to Drama director Mary Roundy, the conflict centered around love overcoming prejudice. Major decisions involved marriage set against the backdrop of the war.

One romance centered around Lt. Joseph Cable, played by Evan Wiese and Liat, a young native girl, played by Stephanie Lords. The other involved a French planter, Emile De Becque portrayed by Dan Gunter and military nurse Ensign Nellie Forbush played by Michele Kopp.

Other roles cast Julie Rowe as Bloddy Mary and Jim Tilley as Luther Billis.

Music was under the direction of Ross Gedeborg with accompanist Kendra Yancey. Art work and Advertising were done by the High School Art Club under the supervision of Kim Dockstader.

Almost

The 1984 Junior/Senior Prom was held on April 28. The colors purple and pink were chosen to compliment the theme, "Almost Paradise." Purple and pink streamers made up an attractive solid ceiling, as a mirror ball was suspended from the center with the lights reflecting as it turned, creating a romantic atmosphere. Music was provided by 95 Alive, which included their newest light show and lastest tunes. The committee, headed by Kristine Hayes, put in many long hours in order to make the annual event a success.

The evening was highlighted by the announcement of the royalty, which was as follows: Angie Oertle, Queen; Mark Pavek, King; Gregg Olson, Sr. Prince; Teressa Permann, Sr. Princess; Jody Houk, Jr. Princess; Darrin Heinson, Jr. Prince.

During the dance, refreshments of punch and chocolate no-bake cookies were offered with Annette Beitz in charge.

Many came to enjoy the lovely evening of fun and excitement. The Tuxedos and Long Dresses made this the picture perfect event.

ORGANIZATIONS

ANNUAL STAFF

Front: Editor, Leisa Briggs; Advisor, Mrs. Wiese; Dan Sprague. Back: Alan Bollschweiler, Advisor, Mrs. Dockstader; Tracey Phelps; Michelle Kopp; Debbie Greenrod; Vicki Weerheim; Lisa Ruschetti; Bridget Gates.

At the beginning of the year the Annual Staff opened up with three returning members, and they welcomed seven new members in. This year the Annual Staff members met after school and on some occasions at night to put the book together. The two advisors were Mrs. Wiese and Mrs. Dockstader who put in a lot of their time and effort to keep everything running smoothly. This year we thought that we would make the book a little different by enlarging the annual with eight more pages. We also took on a new Publisher — Taylor — and the man behind this was Mr. Taylor Publishing (Allan Toennis). Before beginning this new school year, some of the members attended a summer workshop at the home of the Bangles, ISU. This was given by Taylor Publishing Co.

The Annual this year was made up of a lot of different talents which made this book a special one to remember. Enjoy it, because we did!

Second: David Privett, Jim Brown, Mr. Hovey — Advisor, Angie Oertle, Lesa Breding, Julie Rowe, Burt Fehringer. Third: Leisa Briggs, Tammy Sprague, Jodell Ward, Dana Girvin, Stacy Sheard.

On March 29, 16 students left for Moscow. The trip was long and tedious, with Jodell Ward, Dana Girvin, Tammy Sprague, Leisa Briggs, Lunette Garland, Angie Oertle, Nick Carlson, Burt Fehringer, Lesa Breding, Mat Hovorka, Teressa Permann, and Jim Brown all trying to learn the "Rodeo Song" to sing for everyone in Moscow. There were also the calm ones, like Angie Leen, Michele Kopp, and Mr. Hovey (for the most part) who just wanted a little sleep. Julie Rowe and Stacy Sheard spent the trip cramming for their election speeches.

Overall, the conference turned out well, Julie was elected Idaho State Vice President and Stacy was elected State Secretary. Tammy Sprague placed second in general merchandising and Burt Fehringer placed second in Enterepreneurship.

Tammy Sprague was originally chosen as one of the delegates to Girls' State, but was unable to attend. As first alternate, Kendra Yancey attended along with Kristine Hayes. They left on June 19 for a fun-filled week at Northwest Nazarene College at Nampa. The boys left on May 29 for a week at Boise State University and the state capital. Bill Palmer was selected to attend, but was unable to, making it possible for Mike Henesh to go instead. The purpose of boys' and girls' state is to learn about the government process. They were divided into cities and counties, and they elected officials for each as well as for state offices. The delegates learned how to write bills and tried to get them passed. Guest speakers helped to make this a very informative week.

CHEERLEADERS
MATMAIDS

In July of 1983, the American Falls cheerleaders and mascot attended a funfilled week at the USA Cheerleading Camp in Logan, Utah. The week consisted of learning cheers and routines. A.F. cheerleaders received the excellent, two superiors and a spirit ribbon. They also received a superior trophy. Mascot, Debbie Greenrod, received two excellents, one superior and brought home a spirit stick. The cheerleaders continued this spirit throughout the year.

J.V. BASKETBALL

This year, the Girls' Basketball teams were coached by Gary Garland and Kim Dockstader. The Varsity team had a good start, beating such teams as Aberdeen, Burley, and Snake River, while the JV team came out strong in the end, winning three of their last four league games. Both teams improved greatly over the season, and with only two seniors leaving, they have great potential for success next year.

A-2 CHAMPIONS

Front: Robert Eames, Justin Kuttler, Mike Henesh, Mat Hovorka, Jim Brown, Wade Ward, Kirk Thompson. Back: Burt Fehringer, Mike Brower, Shawn Hamilton, Bruce Winder, Darrin Heinson, Greg Wiles.

The Beavers captured their first district basketball championship in 17 years (since 1967) with an impressive 52-40 win over the Marsh Valley Eagles. It was a winning season for first-year head coach, Gary Aldous. The team was comprised mostly of juniors with only two seniors playing. The support and spirit of the A.F. fans was great.

State Tournament was held in Pocatello at the ISU Minidome. There the Beavers played in three games. They beat Bonners Ferry in the first game 57-56. Then they faced the defending state champions, the Rigby Trojans, and lost 59-46. The final game was against Burley where they lost 67-66.

It was a great year for the coach, the players, and the fans of American Falls.

Varsity wrestlers determining their match.

American Falls High School wrestlers have improved throughout the years. The wrestlers worked very hard all during the season with the help of their coaches Kirk Dahlke and Bob Brulotte. Many supporters came to the matches and cheered on the team with the help of the matmaids. Making it to state were Ron Turner and Lorenzo Martinez. Ron recieved second place in his weight class at districts and Lorenzo made it to third place at districts and won his match in the wrestle-off. Therefore, they both went to state representing American Falls High School. There are many memories in all the wrestlers minds that they will cherish forever. They made it through a great season and are hoping for better seasons to come.

GRADUATION

CLASS OF 84

SENIOR PARTY "84"

This year's senior party was held at the Pocatello Court House Fitness Center; 37 total seniors attended the wild time that was ahead.

Many activities were planned for the group. Many guys were involved in a hard game of volleyball as others were more interested in the weights. (Girls were also on the agenda) Girls and guys got involved in the active sport of racketball. A few of these were: Scott Boyd, Pete Combs, Jackie Cameron, and Angie Leen. The girls were more interested though in a Jane Fonda workout tape the sport center offered. The Hydro-tube was opened for all to use at 10 pm. to 12 midnight which everyone took advantage of. After some of the activities quieted down, there was a room with videos to watch.

Hot tubs were also available. A few of the girls decided to have their own little party as they splashed each other in the above 100 degree water. Gwen Zahn was the first to enjoy the tanning booth set up for the girls, as Teressa Permann looked on in envy, as she awaited her turn.

There were some games set up by the advisors that you could win prizes from. A board with baby pictures was set up and numbered so that you could guess who each person was. If you guessed correctly you won a prize. Door prizes were also drawn every hour so everyone had a chance to win. The first person to win was Justin Corbridge who won a mini sewing kit, which everyone got a laugh out of.

Food of all kinds were placed out so everyone could enjoy them. Chips, Crackers, cheeses of all kinds, hamroll-ups, dips, and drinks of all types to wash it all down.

The chaperones sat and watched all the fun. Everyone was relieved that graduation was finally over and they showed it by having a great time at their party.

Kathy Scherer

The best way to describe my first year at A.F.H.S. would be as a "learning experience." Learning my duties as secretary and trying to keep the office running in an orderly fashion are, of course, very important: but if I were to make a list of my learning experience, I'd have to include the following items:

1. Learning to "tolerate" Rock music.
2. Learning to answer the phone, write admits, answer the intercom, and hand out report cards or prom pictures — all at the same time!!!
3. Learning to never to lend out my scissors, stapler or tape — especially during Beaver Week and Prom Week.
4. Learning some new excuses for missing class, for example: "My Hacky Sack was up on the roof."
5. Learning what a Hacky Sack is!!!

But probably most important, I've learned that the students today really haven't changed from what we were like, except that they have more opportunities and more pressures, and as a majority, they handle both extremely well. I look forward to getting to know all the students at A.F.H.S. better and I hope you'll be patient with me as I continue to "learn."

SUPERINTENDENT SCHOOL BOARD

When you take out this annual many years from now it will remind you of the many good times that you had while attending American Falls High School and some of the not so good times. You will be reminded of your friends and classmates that have gone their separate ways. Many will reflect on what they would have done different or what they could have done better but these thoughts should only be for stimulating new thoughts about what you can do now and in the future to make this world a better place to live. What you accomplished during the time period that this book represents is important, but it is history. What you do from that time on is what is important to you and to those that you come in contact with. I challenge you each time you look at this annual to set at least one new goal and then immediately start to accomplish that goal. I wish you the best in your future endeavors and remember that American Falls High School is better because you were there.

A.F.H.S. GOLDEN ANNIVERSARY 1934-1984

When the class of 1934 graduated, they left a newly built addition to AFHS, the main building, as we know it today. Fifty years have taken their toll on this building, yet the memories of good times and the promise of more in the future, still remain. The class of 1984 leaves AFHS on its golden anniversary and will now take their place in the past with hopes of many more happy years to come to AFHS.

1934 GRADUATES, Above: Marie Campbell Chapman, Margrie Wilson Gross, Francis Classen Ewing, and Darrel Rowe. Right, Front Seat: Helen Jasmin Kress. Back Seat: Ellen Adkins Hawkley, and Wanda Orders Jorgensen.

With changes come improvement. And improvement has certainly hit AFHS this year.

To get off to a great start, we got a new football coach, Mr. Garland, who led the team through a winning season.

And, of course, no one could forget our undeniably superb basketball team, who, with the help of our new head coach, Mr. Aldous, took the district championship for the first time in 16 years.

A new organization came to AFHS this year to cheer all our athletes on. The Spirit Club added excitement and support in all the sports events.

On the academic side, AFHS welcomed computer classes led by Mr. Winters. Art classes also found their way here taught by Mrs. Dockstader.

With the help of eleven very talented people, this book, once a jumbled mass of plans, pictures and names has been turned into your Beaveronian; one I hope will hold enough good times and wonderful memories to last a lifetime.

Sincerely,

Leisa Briggs

Part of my journey
has come to a close
With confidence I
stand tall.

The things I have
learned have helped
me to see
The beauty of it all.

But now I embark on
a new voyage
And start again
patiently.

Yet along this path I will now help
Those who once helped me.

The road to success is a long one
I may not get there today

But seeing the road stretched before me
I know I'm on my way!

We're on our way

Grace-
You're a great person and I'm glad I have been able to go to school with you. Stay cool and take care of yourself.
Friends always
Nat

Grace,
I'm real sorry about how things have been in the past- but I know the future will be better in college. Get good luck in college for ya.
Love always,
your sister
Jacki

I'm rootin

GRACE,
With you possessing one of the most intelligent minds in A.F.H.S. history I expect great things from you in college and the rest of your life. I appreciate the fact that you weren't so rude as to spit chewed up artichokes at me even though you did spray filthy water on me while I was drinking. But it's still good knowing you,

C Hitz

I don't know if about this guy. He is a crazy, bad att., partying fool. But I still love him.

Hey Grace your a Wonderfull Lady and you sure aren't Forie and I think your just plain Kool. But back to serious business it has been great knowing you in high school. you ~~were~~ also will always be one of my best friends. ~~for~~ Of course I'm sure you kind of regret the time you passed up the chance to pop my cherry (now its too late). Anyway I'm looking forward to more great times with you in college.
